Any tickets that are purchased before the draw, but are not presented or included in the draw, will be entered in the following weeks draw.

The weekly draw will normally take place on Sunday nights. If not possible on the Saturday night the draw will take place as soon as possible after that.

Tickets not properly marked will be deemed void. For example, tickets will be deemed void where numbers are not clearly marked, where there are more or less than four numbers marked, or where no name appears on the ticket.

Tickets for which payment has not been received prior to the draw are deemed void.

One random ticket will be selected at each draw and the ticket seller/promoter will receive €20.

The maximum jackpot is €10,000. When the Jackpot reaches €10,000 it will remain at that figure until it is won.

In the event of the Jackpot reaching €10,000 and is not won the New Jackpot is guaranteed to start at €3,000. If the Jackpot has not been won for one year after reaching the €10,000 maximum the New Jackpot will be increased by €200 and will increase by €200 each year thereafter until it is won or it reaches €10,000.

A seller's prize of €250 will be paid to the seller of the winning Jackpot ticket for a Jackpot up to and including €5,000. For a Jackpot over €5,001 and up to and including €10,000, the seller's prize is €500.

Suncroft GFC will pay out only in respect of winning tickets that have been presented on time and have not been deemed to be void.
